2 Minutes

Action log:

2 Sisters OCT Action
Log 25.06.2020.xlsx

The following actions are still ongoing:

- 8/20 - Discussion to take place on how to get the additional question information off the CRM
- 24/20 - *Separate meeting to be held with HPT, HSE, Anglesey EHO and FSA to drive change forward*
Update: Ongoing – company keen to start opening factory and planning for behavioural change work around the middle of the week.
- 60/20 - *Arrange mop-up plan of postal kits/redirection to alternate testing site. List of 20 individuals without transport/unable to travel to testing centre forwarded to [REDACTED] in BCUB*
Update: Number rose to 40 by midnight yesterday (19/06/20). [REDACTED] is looking at how testing will be supported.
- 73/20 - Circulate final version of cases definition to the group.
- 76/20 - Pick up off line the concern that contractors have continued to travel to Anglesey after 05/06/20 (Raised by [REDACTED] Flintshire LA).
- 77/20 - Look at results sent to TTP saying incomplete (Raised by [REDACTED] Anglesey LA).
- 78/20 - Separate Task and Finish group to be set up to discuss a protocol to deal with breaches of compliance - Group to include PHW as proper officers, EHOs from Anglesey and Gwynedd, [REDACTED] and NW Police.
- 79/20 - Key messages to be crafted by specialist behavioural teams in PHW - [REDACTED] to assist on leading this.
- 82/20 - Anglesey EHO to prepare a request to co-operate letter to be sent to workforce who have not gone for testing. Group asked for this to be agreed by OCT before distribution.

	<ul style="list-style-type: none"> • 83/20 - Consider if contractors from Sandycroft site should be tested. • 86/20 - Map cases geographically to inform epidemiological awareness. Support offered from BCUHB to facilitate this. To be shared with OCT once complete. • 87/20 - Produce reactive statement- Agreed to show increase in numbers but also to ensure community confidence. • 88/20 - Can the company be responsible for sharing the results? • 89/20 - Get in contact with 67 that have not been tested 	
	3 Background <ul style="list-style-type: none"> • Members of the group were familiar with the background of meeting /incident. 	
	4 Epidemiological Summary <ul style="list-style-type: none"> • There is ■ new confirmed case in the last 24 hours, 204 cases confirmed in total. • There are 584 workers at the plant. • We have results for 204 positive, 258 negative, and ■ failed test. • No positives on additional staff. • 16 haven't been tested, ■ isolating, ■ • Anglesey – 30 tested are waiting results From WCP -11 are in progress. • 34 have been swabbed and are waiting on a result but aren't sure if they are in progress. • There are a number of individuals who haven't been tested as of yet. • What are we going to do with them individuals and how we are going to peruse them to get them tested? Or accept that they won't engage? 	

	<ul style="list-style-type: none"> • [REDACTED] will give a better idea of numbers tomorrow 26/06/20 • Put on testing area in Bangor for 26 individuals – no individuals turned up, equally there wear testing opportunities in Holyhead and only had a hand full despite having the military on hand. • Find other ways of sampling but in order to do that need a clean list and a clear plan • 59 staff linked with the 2 Sisters on Tarian from the 25 of May. • Today's numbers 25/06/20 <p>201- line list 6-currently in hospital [REDACTED] 12- positive inpatients 0-From 2 Sisters [REDACTED]</p>	
	<p>5 Testing and Sampling</p> <ul style="list-style-type: none"> • There is [REDACTED] in the last 24 hours, 204 cases confirmed in total. • There are 584 workers at the plant. • We have results for 204 positive, 258 negative, and [REDACTED] failed test. • 16 haven't been tested, [REDACTED] [REDACTED] • Anglesey – 30 tested are waiting results From WCP -11 are in progress. • 34 have been swabbed and are waiting on a result but aren't sure if they are in progress. • From a testing capacity - we have capacity to test, but we cannot we need a list - if there is a plan to test/retesting. • Issues with getting test results out 	

6	Review and control measures <ul style="list-style-type: none"> • Meeting sight on 26/06/2020. • Discussion between police and local authority's about what to do hasn't been concern expressed so far, people are happy to confirm their identity when discussing others. • PHW to keep a log of all calls connected and can be shared with local authority and police so everyone is aware of what's going on. • For Local authority's and police to do visits if necessary if people are not complying. • Premise wasn't closed legally staff wear told to isolate as control that removed work force. • Not looking to open till the 2nd, 4th or 5th of July. • For the plant to confirm once the works have been completed and everything have been complied with, as reassurance we can move forward. 	
7	Communications <ul style="list-style-type: none"> • Small increase in cases need to address • Covid 19 2pm statement, should we highlight small numbers of the workforce haven't come forward for testing. • Should the focus be less on the testing? • Potentially yes to a skype call with Channel 4 • Social media about public health message. 	
8	AOB <ul style="list-style-type: none"> • Results of contractor's visitors – being sent by  	
9	Next meeting Friday the 26 th June 2020 at 1.30pm
